

USED OIL COLLECTION CENTER

The new used oil collection containers are located in the drop-off area of the Landfill.

Please follow these simple rules to help keep them looking good.

- Used motor oil only
- Used oil filters only
- Place trash and filters in proper containers.
- Only 5 gallons will be allowed per trip.
- All customers must check in at the scale office or with the gate attendant.

Permit Landfill Sanitation Information

(806) 935-4101—Cityhall
(806) 935-2636—Landfill
(806) 934-4866—Sanitation

Any construction at a commercial location requires an asbestos survey and permit if any part of the walls, ceiling or flooring will be disturbed.

Frequently asked questions.....

I pay for trash service as a resident of the City of Dumas. Do I have to pay if I bring something to the Landfill?

If you are paying for trash, you are allowed to dump 3 cubic yards of waste for free once a week. If you exceed the 3 cubic yards then you will be charged for the additional waste.

What can I NOT bring to the landfill?

The landfill will not accept FROM ANY-ONE contaminated top soil, asbestos, batteries, herbicides or pesticides.

What can I bring that I will NEVER be charged for?

If you have tree limbs, clean asphalt, clean concrete, clean dirt or metal we will not charge you. You can bring as many loads as you want as long as there is no trash in the load.

What identification do you require to prove residency?

We require a valid drivers license with a current address or a copy of your utility bill or a copy of your permit.

What do you need a permit for?

Roofing over 500 square feet

Any job involving plumbing, electrical or mechanical.

Sheet rocking

Altering the structure of a building in any form

Building and replacing fence

Replacing tubs and showers

Concrete work that will have a structure built on it.

Constructing out building or moving a building in.

You do not need a permit for the following.....

Roofing under 500 square feet.

Installing flooring such as ceramic tile, vinyl wood, carpet, etc.

Installing tile on walls, painting, patching walls.

Replacing kitchen cabinets.

Replacing sinks and toilets unless plumbing is involved.

Landscaping or tree removal.

Repairing a fence if under an 8 foot section or just replacing a few pickets.

Concrete or gravel such as a driveway.

Drop-off Area Rules

No dead animals will be allowed in the drop-off area.

Residential customers only with a current trash service.

Trash will have to be separated within the drop off area. An attendant will direct you to the appropriate area.

Check in with attendant when recycling used oil and filters.
